Pat Gero asked the Board if they will be willing to judge the parade, the boat parade, home decorating contest, as well as the photography contest. They will gather the judges together to drive around town to judge the decorated homes. Allcroft asked that someone from the Committee be present at the next Selectmen's meeting to remind them and to get a final count of Selectmen available for judging events. Campbell stated there will be two events that will require an admittance fee. The Ed Thomas Review will be \$5/ticket, and the Calvary Chapel dinner held at Wiswell Farms for the church's needy families will be \$10/person. Grover stated that we should be sure culverts on Brewer Lake Road are all set before work begins on that road. He thought that some of them may be needing replacement and wouldn't want to have to dig up the repaired road later for culvert replacement. Allcroft stated that the culvert that was replaced on Fields Pond Road has a 6-8" drop off where the water flows through. He stated that he isn't sure, but he believes the culvert should have been closer to the ground for water drainage. He will get with Susan and Public Works Foreman, Brian Stoyell to bring to his attention so that if it does need to be fixed, it can be done before paving begins. Allcroft also presented the Board with Paul's contract that was approved at a previous meeting for signatures.

13. *Adjourn:* Bladen moved to adjourn at 8:00 PM. Grover seconded. Vote: Yes-3.

Respectfully Submitted,
